

## ULI Boston

Young Leaders Group

The members of the Urban Land Institute's YLG are emerging young leaders under 35 years old who are dedicated to the responsible use of land and real estate in enhancing our future

### Our Mission

The mission of the Young Leaders Group is to provide a unique setting for the leaders of tomorrow to interact, both professionally and socially, with the leaders of today.

### Our Goals

The YLG offers younger ULI members the opportunity to network with their peers, gain exposure to senior industry professionals, and to continue their professional education. YLG programs and events are geared towards the interests of younger industry members:

- To provide a non-biased forum for exchange of information about real estate issues at a local level.
- To provide members with opportunities for professional development through active involvement in community work, educational programs, outreach projects and networking events.
- To raise awareness of local land use issues among public officials, academics, students, and the public at large.

### Membership Benefits

- Dedicated to ULI members under the age of 35.
- Reduced attendance fees for all ULI events, programs, conferences and workshops.
- Opportunities to meet real estate leaders today, educators and peers.

### Get Involved

The activities of the Boston District Council are made possible by its members. Choose a committee you would like to become involved with and share your expertise!

**Marketing:** Provides information to members pertaining to YLG activities and events through direct and media based outlets.

**Membership:** Enhances the ability of the YLG to achieve its mission by building a diverse and actively involved public and private sector membership.

**Programs:** Plans and implements YLG events calendar, creating forums for networking, education, and career development.

**Public Outreach:** Promotes YLG participation in Urban Plan and other volunteer activities.

**Sustainability:** Heightens awareness of sustainability trends and promotes best practice.

**University Outreach:** Partners with local universities to recruit new members and promotes the benefits of ULI Boston and YLG.
