DEVELOPING

# Green

THE BEVERLY HILTON • LOS ANGELES, CALIFORNIA

— May 12–13, 2009 —

## Essential Information for California Real Estate Development

- ▷ Find out how California's new climate change regulations impact real estate development
- ▷ Get new strategies and best practices for cost effectively retrofitting existing buildings and developing green communities
- ▷ Discover evaluation tools that can help you determine which options are most effective at lowering carbon in developments
- ▷ Learn techniques for doing sustainable development deals with public, private, and nontraditional partners
- ▷ See what's new in energy efficiencies that you can incorporate into your project
- ▷ Tap into and capitalize on the new green stimulus package
